Reliant

Multiple Seating

Gracefully curved arms and a contoured seat and back make Reliant as inviting and comfortable as it is durable. Its heavy duty metal frame, powder coat finish and field replaceable components create a strong choice for any demanding environment. Multiple size and style options and coordinating table deliver a complete high performance solution.

Designed by David Dahl

Details

Metal construction and powder-coated frame provides for long term durability.

Wood arm cap (shown) or optional urethane arm cap adds additional comfort and performance.

Concealed welds allow for clean details and refined connections.
