

EZ-123

Overbed Table

EZ-123 Overbed Table

The EZ-123 Overbed Table adjusts within a height range of 16 inches providing maximum flexibility. The gas spring mechanism locks the height down easily, and a sturdy column keeps the surface steady for eating or other activities. A vanity mirror and storage beneath the table add thoughtful functionality, and casters make it easy to position the table exactly where it's needed.

Designed by Nemschoff

Details

Hard-wearing laminate top provides durability. Adjustable gas spring mechanism automatically locks in place for stability.

Spill-containing edge makes cleanup easy.

K shaped base accommodates a variety of bed designs. Sturdy column provides steady surface for eating or activities.
